From 6-10 pm tonight only, in front of our hotel (up & down Palm Canyon Drive) is the infamous outdoor Village Fest , there are blocks of shops, galleries and restaurants with over 200 booths offering beautiful art, handcrafted items and unique food. Right outside our front door!

Day Two (FRIDAY)

Following Breakfast at the hotel, we will venture out by motor coach with our guide to visit Joshua Tree National Park; we will visit the Mojave Desert, one of the few places in the world where the Joshua Tree grows. Stand atop the Little San Bernardino mountain range for a spectacular panoramic view of the Coachella Valley (one of many Kodak moments). Also included today is a narrated tour of the wind turbine farm and San Andreas Fault.

Following our included lunch we will head for the World's Largest Rotating Tram Car, and aerial tram ride which takes us to the magnificent beauty over the pristine wilderness of the Mt San Jacinto State Park.

We will arrive back at our hotel in the afternoon.

Dinner is on your own, there are many casual spots to get a meal at with your traveling friends, you are certain to find something to satisfy you on Palm Canyon Drive and within easy walking distance in the area..
(Breakfast & Lunch)

Day Three (SATURDAY)

Following breakfast at the hotel we are off for our Palm Springs Valley Tour driving by the modern cities of Rancho Mirage, Palm Desert and Indian Wells. Views of lush golf courses including the hill top house of Bob Hope, the "compound" of Frank Sinatra and the winter home of former President Gerald Ford await us. . Much more to see during this tour including a date farm where we can indulge in a date shake, a local specialty! We will be learning the history of this industry during our tour. Returning to Palm Springs we will pass former homes of Marilyn Monroe, Elvis Presley and Liberace. Did you know they all had homes there?

We will next visit the Palm Springs Air Museum which is home to one of the largest collections of flying WWII aircraft in the world. And we will be there for a special program of fly over's and a Viet Nam program. Helicopter rides optional. Included also is a chance to 3 planes with flight simulators. A Gourmet Box Lunch will be provided. There is an area with

Bob Hope's USO Tour you can visit as well. Quite a patriotic time we will spend at this place. It has a great gift shop also!

We will have dinner before the Follies. The Special guest star at the Follies will be Rita Coolidge! A most enjoyable evening!
